Expression of Interest (EOI)

* indicates a required field

Thank you for your interest in the Heritage Agreement Grant Program.

As a first step we encourage you to read the [Grant Guide](#) to review what the program can offer and if it is likely to align with the support you are seeking.

This EOI will inform a Heritage Agreement Officer about your site and allow them to tailor the advice they provide to you.

The EOI is not a grant application. You will need to submit a grant application after speaking with one of the team.

If you have any questions about the program, please contact the Native Vegetation Branch on NVC.haprogram@sa.gov.au or (08) 8303 9777.
